MAXIMIZING ADOBE STOCK AND CREATIVE CLOUD LIBRARIES FOR EFFICIENT, EFFECTIVE COMMUNICATIONS

WORKSHOP DESCRIPTION:

Join Adobe Senior Solutions Consultant Eric Rowse and AU Libraries' Instructional Technology Specialist Dr. Chelsy Hooper for a hands-on workshop using Adobe Stock's diverse, high-quality images for impactful messaging. Learn to leverage Creative Cloud Libraries to share assets among team members and between Adobe apps. Students, faculty, and staff will learn how to maximize Adobe Stock and will practice using Creative Cloud Express to augment assignments, presentations, and research. This session will also be presented via Zoom, synchronously; attend in-person for best experience (computers provided). Adobe ID required (<https://adobe.auburn.edu>).

Registration required: this session is offered in-person (computers provided) and online synchronously via Zoom.

WHEN: Thursday, March 31, 10:00 am-11:00 am

WHERE: RBD Library, 3rd floor instructional lab (Library 3011; map <https://lib.auburn.edu/map/instruction3.pdf>) and online via Zoom (Zoom link will be sent in registration email)
