Innovation & Research Commons @ RBD Library

Instructional workshops in multimedia creation open to all Auburn students, faculty, and staff. Registration required. Offered in-person and via Zoom unless otherwise indicated (computers with Adobe Creative Cloud installed available in-person, Zoom link sent in registration reminder email).

GETTING STARTED WITH DESIGN: ADOBE CREATIVE CLOUD EXPRESS, ADOBE STOCK

Students, sign up for your free Adobe ID <http://adobe.auburn.edu>. Faculty and staff, learn to leverage Adobe Creative Cloud in your courses and work. Explore Adobe Creative Cloud Express, an app that allows everyone to create beautiful graphics, web stories, slideshows, and video, and Adobe Stock-free, high-resolution images for use in your projects. Access Adobe's free resources that will empower you to use more powerful apps such as Photoshop, InDesign, Illustrator, and Premiere Pro. Use a computer to join in; additional mobile device recommended.

- August 29: 3pm - 4pm

BASICS OF MANUAL PHOTOGRAPHY WITH DSLR CAMERAS

Learn the fundamental elements of photography and how to use manual controls on dslr cameras in this hands-on workshop. This workshop will cover how to use the Nikon dslr cameras available for checkout in the Technology Lending space of the I&RC. Participants are welcome to bring their own cameras as well. This session will take place in-person only in the I&RC's Technology Lending Space on the 1st floor of the Library.

- August 30: 3pm - 4pm
Available in person only

Accessibility needs? Please contact us 2 weeks prior to the workshop.

Make plans to attend Adobe Day on August 31st. Adobe Creative Cloud is available to all Auburn students at no additional cost. Presenters and our own Adobe Student Consultants and Adobe Student Ambassadors will share how they use Adobe Creative Cloud software. No registration required, drop by for a few minutes anytime during the event hours to hear about creative learning opportunities; free swag available while it lasts. Learn how Adobe Creative Cloud can help you complete assignments and present research and ideas in clear, creative ways. We'll demo new Adobe offerings that utilize some of the most exciting trends in emerging technology: interactive design, on-the-go video storytelling, and more. Need to join remotely? Visit: <https://aub.ie/ircworkshopzoom> at the time of the event.

Adobe Day Pop-in Sessions: held in Gibbs lab, Library 2031 <https://www.lib.auburn.edu/map/lobbylab.pdf>
